The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Struder and Hunnicutt, Jr.

Both references here are mounted on a toilet bowl by the seat bolts, see 7 of Struder and 41, 42 of Hunnicutt and each remove bathroom odors from the toilet before the odors enter the air space in the room.
